

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

February 7, 2002 LB 1201

morning, I'm removing those two bills from the agenda today. Thank you.

SENATOR CUDABACK: Thank you. Mr. Clerk, first agenda item.

ASSISTANT CLERK: Mr. President, Senator Raikes would move to suspend the rules, Rule 3, Section 14, to permit cancellation of the public hearing on LB 1201.

SENATOR CUDABACK: Senator Raikes, you're recognized to open on your motion.

SENATOR RAIKES: Thank you, Mr. President and members. I would ask your help on a scheduling issue again. LB 1201 was introduced by Senator Suttle and we had that scheduled for Tuesday, February 19th. It turns out that Senator Suttle, as a result of her recent back surgery, needs to have a medical appointment on that date. The date that would work both for her and the committee's schedule is Tuesday, February 12th, which is, of course, less than seven days from the time that we learned we'd need to make that change. So I'm asking you to suspend the rules so that we can reschedule the hearing for LB 1201 from Tuesday, February 19th, to Tuesday, February 12th. If you have any questions, I'd be happy to address them. Thank you.
